Accessible Policy Revision: Faculty, Staff, & Students

Section III-Parking-General, Item A revised as follows effective August 1, 2016:

Regular **and accessible** parking... **Use of an accessible parking placard for student or faculty/staff parking in connection with employment or attendance requires that the individual provide the placard registration, proper identification and applicable motor vehicle information to the UT Parking Office in order to purchase a UT accessible parking permit. This permit is valid in all marked campus accessible spaces and all campus unreserved spaces. The student and/or faculty/staff must display both the University issued permit and the State issued handicap placard or license plate in their vehicle.**
