Getting Around UT Special Gameday Issue

Special notes about the map

Non-Commuters do not have football parking assigned in their areas—keep your vehicle where it is.

These are the areas the public needs to be aware of.

Some areas will be utilized for internal working football staff.

DO NOT ASSUME that if an area is not is color you may park there.

Mobility after the game is managed by the combined police forces.

Student Parking on Game Day

There is NO parking for undergraduate or graduate commuter students on gamedays.

We recommend:

1. Have someone drop you off and pick you up.
2. Market Square and State Street garages downtown Knoxville have free parking if you arrive early.
3. Neighborhood parking is an option, but many places charge for parking on gamedays.
4. City of Knoxville Parking Meters
