

Commuter Parking

Thursday, September 1st

- There is NO commuter parking (undergraduate or graduate) for home football games
- Due to a half day of classes, Thursday, September 1, commuter lots will be open for regular parking up until 1pm when they must be cleared for football permit parking.
- Any vehicle left after 1pm in a commuter (C) parking area on Thursday, is subject to citation and may be towed.
- For those who need to remain on MAIN campus after 1 pm, parking is available (for those with a current permit) at the Kingston Pike Building (KPB) with shuttle service to Circle Park.
 - Shuttles from the KPB will begin at 1 pm, we do not have any buses available prior to that time. This shuttle service ONLY drops off and picks up at Circle Park. The shuttle will run until the game is over.
 - If you need to park earlier and return to campus, catch the FREE Orange Line Trolley at University Commons (.3 mile walk). The Trolley stops at multiple locations along Volunteer Blvd and runs every 30 minutes.
