

Getting around UTK Summer 2016

A snapshot of construction, Kids U and other camps, and events on campus may impact your commute and getting around.

Send any additional items to parking@utk.edu.

Wednesdays - schedule a detour on the way home to pick up something yummy at the UT Farmer's Market

UT Gardens 4:00-7:00 pm

Construction & Repairs Impact on traffic

16th Street, Volunteer Blvd to Henson Hall, and Cumberland Ave

Knoxville Utilities Board (KUB) is upgrading steam lines. Lanes reduced, there is a significant and noticeable impact until the end of July.

Tom Black Track

Crews will be working on the track surface for June & July. Minimal impact to your travel.

Andy Holt Tower

Roof repairs. Parking spaces will be blocked to prevent damage and stage equipment. This will impact some parking spaces, please look for signage and cones.

Neyland Stadium

Painting will occur this summer on the south side of the stadium, creating minimal impact on traffic. NOTE: equipment for sandblasting and spraying will be loud. Tarps will hung behind the painters to protect cars in area.

Volunteer Blvd

The extensive streetscape project has closed Volunteer Blvd from Pat Head Summitt to Todd Helton. This also closed the entrance to TRECs off Volunteer.

COMING IN JULY — Neyland Drive will be resurfaced and KUB will have construction near the Lady Vols Boathouse

Is there anything your department or college is conducting which may impact travel around campus?

We already have big picture items on the calendar such as Orientation but we do not have every camp, conference, or class in our calendar.

If there is something you are conducting with a significant attendance, it would greatly help us to know that information.

Please Contact:

Mbindner@utk.edu

parking@utk.edu

Events, Conferences and Camps

Orientation

June & July (one in August) – parking in G10

Sports camps

June & July – parking in G10 or near the facility they are using

Kids U and other academic camps

During June & July learning is fun this summer as students of all ages descend onto UTK.

June 20–24—Event closes 19th st south from Cumberland to Terrace.

HEADS UP FOR THE BEGINNING OF JULY

July 1-3—Jehovah Witness conference

Starts on a Friday and will impact have significant impact for students and staff parking that day.

July 3rd — Pilot Fireball Moonlight Run on Neyland after 8 pm

July 4th — Fireworks at World's Fair Park

Maintenance & Signage

Extensive painting of curbs, fire lanes, etc.

Power washing of G7 garage at Volunteer and Andy Holt (this will be done in stages to work around camps and events)

Preparing for over 700 new signs to be installed in July

Maintenance that comes up – like a sinkhole in C8

Reminder there is **NO** parking on sidewalks. Please remind your vendors they will be ticketed.

Enforcement

- Permits are needed at UTK at all times including summer
 - Including summer employees, students, camp attendees, etc
- No sidewalk parking
- Assisting with events and camps

Planning & preparing for the new year?

- Updating materials including, Traffic & Parking Map 2016-17, Ride the T brochures and posters
- Completion of the new garage and installation of the Real-Time Parking availability technology
- Determine parking strategies for :
 - Thursday, September 1st - Football Game
 - September 14th - Maroon 5 concert
