

Tips List for Reducing Theft in Vehicles:

- Don't leave your valuables, like laptops and phones, in your vehicle in easy view
- Leaving for the holiday? Pack the day you plan to leave so your belongings aren't left overnight
- Remove holiday packages, gifts, and shopping bags from vehicles or store them out of sight in trunks
- Always lock your doors and ensure your windows are up
- If you don't drive often, check on your vehicle periodically through the week

Remember, always report suspicious activity as soon as possible. You could prevent a crime.

What you see.

What a thief sees.
