

## Volunteer Blvd Streetscape Phase III takes advantage of Spring Break

While over 20,000 people are off campus the beautification of Volunteer Blvd will be able to “jump start” a few pieces of the project.

Be aware that Peyton Manning Pass may also be impacted.

## McClung garage entrances get “makeover” during spring break

- Sidewalks at G1 and G2 McClung garage will be demolished and replaced starting Monday March 12th.
- The schedule will include CLOSURE of one level at a time. Due to spring break we anticipate a significant number of permit holders will not be on campus.
- For those on campus you will see:
  - \*Signage indicating which side is closed
- If you need to work in the G1 garage during this construction, you will park in G2 and walk over. The same procedure when G2 is impacted.
- Please utilize the other level if your level is closed when you arrive on campus.

## ***LED Lighting upgrade in residential (N non-commuter) areas of Lake Ave Garage during Spring Break***

**No parking in N areas from 5 pm Friday March 9th to 5 pm Friday March 16th  
Residential students may park in C spaces in Lake Ave garage during this period**

# PARKING & TRANSIT

## GETTING AROUND UT Newsletter
