

Dear Faculty/Staff Accessible Parking Permit Holder,

We hope that you are doing well during these challenging times.

Due to COVID-19, we have modified our faculty/staff accessible permit process to enhance customer convenience and promote social distancing.

Specifically, we now offer the option to renew your accessible permit without having to visit the office!

Starting Monday, July 20, 2020 you may renew your accessible permit by emailing your current year documentation to parking@utk.edu. Please click on the following link for the 4 or 5 pieces of information you need to submit to purchase your 2020-21 accessible permit: <https://tiny.utk.edu/renew-accessible>.

You are also welcome to visit our office at the UT Parking Office located at 2121 Stephenson Drive during our summer hours of 9:00 am to 2:00 pm.

Once all documentation is approved, we will mail your permit to you.

Remember the new permit year begins August 1, 2020, so please ensure you are displaying your new permit by that date. If you have questions, please email us at parking@utk.edu.

Thank you

Jill Brown
Permit Office Manager
