# Parking at UTK

- UTK is a “city” of 42,000 students, staff, & faculty
- On gameday, we are a large city of 140,000

These are steps to manage the numerous demands on campus:

- We assign areas for groups: N spaces for Non-commuters (residential) or C spaces for Commuters (not living in UT Housing), Faculty/Staff are in Staff areas
- We enforce to maintain safety, and ensure that those who paid for permits have a place to park
- We maximize usage by converting certain areas to special event parking, note – alternatives are provided for those who would normally park in that area
- We facilitate parking, signage, and staff for over 600 special events each year

Staff parking area – Spring 2023

2/3's of the cars were staff with appropriate permits

1/3 were students parking because there were empty parking spaces – as this was not their assigned area – they were given a “souvenir” of choosing to park here.

# Does UT have an airport shuttle?

UT Knoxville does NOT have a shuttle service to the [McGhee Tyson Airport](#). The airport is located about 11 miles from campus and approx. 20 minutes with little traffic.

UT Knoxville has a significant number of out of state students and many utilize flights home for holidays and breaks. Sometimes students like to thank their driver with food...

You may want to ask:

- a friend
- a roommate
- a classmate
- Sorority Sister or Fraternity Brother
- or ask your RA (Resident Assistant in the dorms) for a suggestion

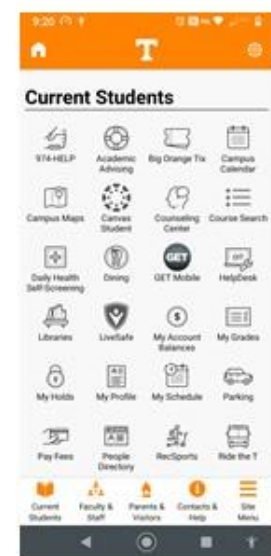

***Be sure to ONLY ask someone you feel safe with  
and keep your family informed of your plans.***
