Pathway to exit G5-30 on special event nights with a 7pm or later start time

We recommend the first choice

S30 surface lot and G4 - proceed to the Lake Loudoun exit

- ⇒ If before 5:30 - you should be able to turn right or left
- ⇒ After 5:30 - depending on police instruction, you may only be able to turn right

Exiting onto Phillip Fulmer

- ⇒ Before 5:30 - expect delays
- ⇒ After 5:30 - congestion will be substantial

Exiting from P1 across from Arena Dining

- ⇒ no lot attendant, so this may be busy
