

Beginning Mon, Mar 11th - Orange Dot permits will NOT be allowed in Staff 9 across from Neyland Stadium

The Orange Dot permit was created several years ago to allow staff and faculty flexibility to move around campus and park in any unreserved staff/faculty parking space for business purposes.

After extensive monitoring, the overuse of Orange Dots in Staff Lot 9 across from Neyland Stadium has resulted in faculty and staff assigned to that lot being displaced.

Individuals needing to access the area near Staff Lot 9 are encouraged to utilize the T bus. Current T bus routes and live locations can be viewed at <https://utk.transloc.com/> or in the Tennessee app under the Ride the T icon.

Warnings will be issued from Mon, Mar 11th through Wed, Mar 13th.

For SC40 permit holders

The Cherokee Mills Shuttle will NOT be operating during spring break Mar 11-15, 2024. You may park in any unreserved staff space during this week **ONLY**.

Spring Break Week– Construction

Do I hear a helicopter?

On Thu, Mar 14th - the top level of G10 will be closed to move AC units to Neyland Stadium.

A helicopter will be used for this project.

The final time has not been announced, but it will take about 4 hours.
